

Who is Rouge Valley Health System?

Rouge Valley Health System is made up of two community hospitals - Rouge Valley Centenary in east Toronto; Rouge Valley Ajax and Pickering in west Durham - and operates many programs, including 24/7/365 emergency, obstetrics, paediatrics, surgery, mental health and regional cardiac care.

Together, a team of physicians, nurses and many other professionals care for you, your family and friends throughout east Toronto, Pickering, Ajax and Whitby.

Who is Rouge Valley Health System Foundation?

With the help of our generous donors, the Rouge Valley Health System Foundation helps fund leading-edge medical equipment, major construction projects as well as educational opportunities for staff.

To learn more about the Rouge Valley Health System Foundation and how you can help *provide the best patient experience*, visit www.myrougevalley.ca.

Stork Wall

Give a special person the recognition they deserve! And, at the same time, help Rouge Valley Ajax and Pickering hospital care for mothers and babies.

For a donation of \$150 or more to Rouge Valley Health System Foundation, a "baby block" plaque with the wording of your choice will be added to the Stork Wall outside the Maternal & Newborn Department.

What better way to pay a lasting tribute to your child, your grandchild, your new niece or nephew?

A baby block could make a fun gift for someone who, years ago, was an "APGH baby".

Or perhaps you'd like to surprise a friend who barely knows the hospital exists!

Every year, thousands of babies are born at your hospital. Your donation will help purchase new equipment for the Women's & Children's Program so that generations of families will always receive the best care.

Just complete this brochure and return it to the RVHS Foundation, and the stork will deliver a wonderful tribute to that special person in your life!
