

GIVING TUESDAY

On the heels of Black Friday & Cyber Monday.....today is **Giving Tuesday**, a "National Day of Giving" that kicks off the start of our giving season here in the Ajax Pickering Hospital Foundation!

It's a day to honour, celebrate and participate in acts of generosity and we are so excited to announce that long-time donor [Shiv Bansal Real Estate](#) has again, generously offered to match all donations up to \$10,000.

That means that every dollar you donate today - today only - doubles to help provide comfort, care and dignity to the patients that need it most.

We know a thing or two about giving here at the Ajax Pickering Hospital Foundation. Every day that our doors are open we are giving....whether it's as simple as a comb for a nurse to brush their patient's hair OR replacing high-tech equipment for the surgeons in our ORs; it is only possible because of our caring community of supporters. You, and many others have made it possible for us to continue with our crucial work during what COVID has made a difficult and prolonged challenge for our medical colleagues.

Now more than ever, your donations mean so much!

So, as someone who cares deeply about the Ajax Pickering Hospital Foundation, we are extending this special opportunity to you today, to donate and have your gift and impact **doubled!**

Please share this link via email OR on your social media with the hashtag #GivingTuesday to spread the word about this wonderful day and our very important cause.
