

At the 2022 Mayors' Charity Golf Classic, [Phoenix A.M.D. International Inc.](#) issued a **challenge** to the players, sponsors and you...

Hospital Staff at the Mayors' Charity Golf Classic with an old incubator collecting player donations

They will match all donations up to \$30,000 for a new incubator for our NICU and we are already halfway there!!

This means that your donation today will have DOUBLE the impact as we raise funds for another incubator for the NICU at Ajax Pickering Hospital.

Help us reach our goal so that the incubator can be in place ASAP.

The NICU at Ajax Pickering Hospital cares for babies who are born up to 30 weeks prematurely as well as even earlier premies who have received care at another NICU but are now strong enough to be moved closer to home. This means that the parents and family do not have to travel outside of our community to be with the newest member of their family or be far from their own support network.

Phoenix A.M.D. International Inc. is a longtime generous donor to Ajax Pickering Hospital, and their corporate motto is incredibly apt to their philanthropic actions: "We take care of what you love". Will you help them do that too?
