

This year's big event at Ajax Downs was the 10th Anniversary of Family Fun Day, and it didn't disappoint both new and returning attendees!

As well as past favourites like Zoo to You, Scientists in School and Penguin Fish Fling joined the line-up last Sunday (Aug. 18), along with a long list of free treats and activities all in support of Ajax Pickering Hospital.

Kids had the chance to run on the horse-racing track in the very popular 'Try-the-Track' event, get up close and personal with the jockeys and horses, as well as try out their "riding" skills with Ontario Equestrian.

And of course all these fun activities were against the backdrop of the exciting quarter horse races being run, including the Town of Ajax's Mayor's Cup.

Bets might have been won & lost, but Colin - with ticket #582 - walked away a definite winner as his lucky ticket was pulled for the 50-50 draw.

Over the past nine years, this event has raised over \$110,000 in support of different departments at the Ajax Pickering Hospital including the MRI, Women's & Children's and The Shoulder Centre. This year, Family Fun Day is supporting the orthopaedics program.

For a second year, an exciting addition to the event was the Ajax Pickering Hospital Foundation's Car Raffle draw for a 2019 Trax! A special thanks to VanDusen Chevrolet Buick GMC for making this raffle possible, and congratulations to Asad (ticket #234) for being the lucky ticket holder!

As a part of this year's Family Fun Day at Ajax Downs, the winning ticket was drawn for the 2019 Ajax Pickering Hospital Foundation car raffle...
