

This year's sold-out 28th annual **Mayors' Charity Golf Classic** raised **\$240,250** to fund new automated drug dispensing units at the Ajax Pickering Hospital.

By automating the dispensing process, these medication-dispensing cabinets ensure unparalleled accuracy & precision in medication administration, minimize the risk of adverse drug events and enhance patient outcomes. Real-time tracking & inventory management features empower our health care professionals with the ability to closely monitor medication usage as well as expiration dates. The cabinets' advanced security & controlled access mechanisms provide an additional layer of protection, preventing unauthorized access & theft, thereby fortifying patient safety even further.

On hand throughout the day were staff members from the Pharmacy Team demonstrating to the golfers the new drug dispensing units. Using patients such as Betty Birdie & Martin Mulligan, pseudo-medications (aka mints & skittles!) were programmed into each patient profile so that golfers could mimic the process of dispensing medications like what will happen on the hospital's units.

At the post-play dinner, Tournament Chair, Vic Sgro, was proud to thank all the event sponsors, especially the presenting sponsor Durham Live. Of the event's over 40 corporate sponsors, 14 of them have been involved in the tournament for 20 years or more!

A special thank you also goes out to the local restaurants & businesses who helped make the day especially fun & delicious: 5 Paddles Beer, Whitby | Farm Boy, Pickering | Gervais Tent & Party Rentals | Jack Astor's Bar & Grill, Pickering | The Keg, Steakhouse & Bar, Ajax | Lobster Baron, Pickering | Longo's, Ajax | Moxie's Grill & Bar, Pickering | Reed's Florists.

THANK YOU
