

This week I wanted to give a shout-out to one of our great community partners who are supporting the patients & staff at Ajax Pickering Hospital, and having fun doing it!

Just this week, [Chartwell Retirement Residences](#) hosted a patio party for our staff with lemonade, treats and a photo booth. Chartwell knows how hard all our staff work to care for & support their patients, and on a sunny afternoon they wanted to show their appreciation.

Earlier this year, they also took over the Foundation's Spirit Cart and visited staff in their units.

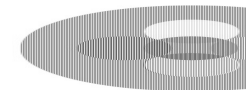

Chartwell is also finding ways to support our Hospital's patients.

They donated toiletry kits that we given out to patients & family members. These kits are great for patients who unexpectedly have ended up in hospital, or who maybe do not have family close by. And for family members, if they are at the hospital for a long time, being able to freshen up can uplift their spirits.

Last month, Chartwell Retirement Residences were the Photo Sponsor at this year's [BIKE FOR BONES](#) that raised funds for our orthopaedic program.

Staff joined us at the event to keep the energy up with the riders and help them get a good photo to two before they headed to the starting line.

Chartwell's partnership with the Ajax Pickering Hospital Foundation shows how easy it is to make a difference in the community where you work and where your clients live.
