

## Nurses Week

“A nurse is one who opens the eyes of a newborn and gently closes the eyes of a dying man. It is indeed a high blessing to be the first and last to witness the beginning and end of life.” —Unknown

To all the wonderful nurses who serve our local community and our world community, thank you from the bottom of our hearts. You are the heart of our healthcare system.

“Nurse” is just another word to describe a person strong enough to tolerate anything and soft enough to understand anyone.” —Unknown

Your sympathy, empathy, strength and knowledge continues to help our vulnerable have the courage to walk through our doors and ask for help.

Thank you for all you do, continue to do and will do... all because you are a NURSE.
