And the winner is...

Yesterday, you could feel the excitement building in the cafeteria at Ajax Pickering Hospital as we got ready to draw the winning ticket for the 2023 car raffle.

As well as team members from the surgical program, Ryan Boyer, Chris McMurray & John DeCesare were all on-hand from Boyer, Ajax to celebrate the success of the sell-out activity.

Ryan pulled Anusya's winning ticket (#43)! She will soon be driving a new 2023 Chevrolet Malibu RS.

This year's car raffle funded five new stretchers for the surgical program. Ryan, Chris & John delivered two of them directly to the staff right after the draw!

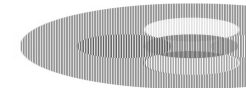

Thank You Boyer Ajax

Thank you to everyone who purchased a ticket for this year's car raffle.

Even if you didn't win the keys to a new car, you, your families, your friends & neighbours all win because you have helped make sure that our community has access to great care close to home, right here at your local community hospital.
