

Today, it's easy for YOU to get involved in the world's largest generosity movement.

In 2012, **GlvingTuesday** started as a simple idea: a day that encourages people to do good: make someone smile, help a neighbour or stranger, show up for an issue you care about, or give some of what you have to those in need. Over the past nine years it has since grown into a global movement, unleashing the power of people and organizations to transform their communities and the world.

**GivingTuesday** is a time when Canadians, charities, and businesses come together **to celebrate giving and participate in activities that support charities and non-profits; to thank, help, give, show kindness, and share what they have with those in need.**

**Every act of generosity counts. Everybody has something to give.**

To take part in today's worldwide action, it's easy to make an [e-donation](#) to us in support of the Ajax Pickering Hospital, or how about browsing our **2022 Christmas Wishbook** for some new & interesting ways to make a difference to our patients while in our care?
