

With kids going back to school, and after-school activities & sports beginning again, your laundry basket is going to get full, fast!

We've got an easy way for you to do your washing AND help the Ajax Pickering Hospital at the same time!

A while ago, we partnered with one of our great donors **Phoenix A.M.D. International Inc.** to create a fundraiser for Ajax Pickering Hospital.

When you buy some Excelsior HE Laundry Products it will change your life!

How will it do that, you ask?

- 1) you only need 1-2 tbsps of detergent per load! (I swear!)
- 2) that means, each box will last for over 300 loads!
- 3) the detergent will get your clothes super clean because it out-performs the leading brand of laundry detergent in the market by removing difficult stains and grease from clothes without the use of bleach
- 4) you'll save more money because you will not need to use fabric softeners or any other cleaning booster products
- 5) the detergent will be delivered directly to your house so you don't have to haul it back from the grocery store every few months
- 6) it's better for the environment because you aren't using as much detergent each wash or throwing away multiple empty jugs
- 7) there's free shipping
- 8) and **all profits support the Ajax Pickering Hospital!**

Visit our [online store](#) to buy your bottle of Excelsior Detergent today, or click on the images above!
