

Being a monthly donor is one of the most generous ways you can support the Ajax Pickering Hospital.

Plus, it's affordable, flexible, effective and convenient, and incredibly impactful.

**Affordable and Flexible** - You can choose your monthly gift to be as much as you want, and you can modify your monthly gift at any time.

**Effective** - Your monthly gift provides a steady source of income that will enable the Foundation to plan what medical equipment or technology we can confidently fund now and in the future.

**Convenient** - You can choose to make your monthly donation by credit card or by automatic deduction from your bank account. Plus, 100% of your donation is eligible for a tax receipt, which you receive in February of each year right in time for tax season.

**Impactful** - Monthly donations can be more affordable and easier to budget than larger one-time gifts. By breaking your donation into smaller increments, you can provide meaningful support without straining your finances.

**And, you know that you are helping restore health, save lives and provide compassion care at the Ajax Pickering Hospital every day of the year!**

For the Ajax Pickering Hospital Foundation, monthly gifts

- provide a steady and predictable source of income so we can plan what medical equipment or technology we can confidently fund now and in the future.
- have lower administrative costs so more of your donation is put to work
