

Whether you are a patient, visitor, staff member or volunteer, being in the hospital over the festive season can be disheartening, so the Ajax Pickering Hospital Foundation works hard every year to bring some holiday cheer.

And **because of donors like you**, your personal touch makes the Ajax Pickering Hospital so special.

This year we have some thoughtful & impactful ways for you, your family & friends, your office colleagues, your kids' hockey teams & scouting groups to make a difference to those who come to the Ajax Pickering Hospital at their most vulnerable.

Browse through our [2023 Christmas Wishbook](#) and check out how you can make this holiday season special for at our hospital.
