

If you were quick, you might have noticed the Easter Bunny recently visiting the staff throughout the Ajax Pickering Hospital.

As well as raising funds for technology and equipment that help our medical teams look after their patients, the Ajax Pickering Hospital Foundation also works to look after our staff's health & wellness.

Thanks to some amazing donors, the Foundation's Spirit Squad stocked up on chocolate and prizes as they took the colourfully-decorated cart around the hospital.

We know that a brief respite during a busy, and maybe overwhelming, shift, can give our hardworking staff a boost of energy.

Special thanks to Cheryl who was chief bunny!
