

On a rainy Saturday in Pickering we spent the morning testing with Therapeutic Paws of Canada. Happy to report that Ajax Pickering Hospital Foundation staffers Matt & Tracy passed with their pups Matilda and Dobby. Sharon from the Communications team passed with her two beautiful Maine Coons as well! Therapeutic Paws of Canada is a registered charity offering free therapy pet visitations. Currently over 500 volunteers across Canada donate more than 100,000 of time annually. After some training, expect to see us visiting in Lakeridge Gardens and Ajax Pickering Hospital along side the other five pet therapy teams currently there.
