

Exciting news is coming out of Lakeridge Health's soon-to-be-opened **Jerry Coughlan Health & Wellness Centre...**

A new family medicine clinic - **Priority Health** - is opening, and already organizing meet-and-greets for new patients!

The clinic spans an impressive 4,000 square feet, and aims to provide exceptional care in both **Family Medicine** and **Urgent Care**.

The family doctors are a dynamic, young group of physicians from diverse backgrounds who are fluent in many different languages.

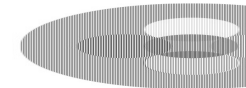

Connected to the family medicine offices is Priority Urgent Care, where they are excited to deliver a comprehensive range of urgent care services that, in time, will exceed the limitations of traditional walk-in clinics.

To book a meet-and-greet with a family doctor, visit [priorityhealthclinic.ca](http://priorityhealthclinic.ca).

Priority Health is only one of the many services that will be offered at the Jerry Coughlan Health & Wellness Centre, including diagnostic imaging, lab services, a pharmacy and doctors' offices. The third & fourth floor will house the Surgical Centre that will provide a wide range of day surgeries, including endoscopy, orthopaedics, and gynaecological procedures. With more than 9,000 surgical cases projected to be completed annually at this Centre, Lakeridge Health's hospital operating rooms will have increased capacity for more complex procedures.

If you want to get in touch with me, just give the Foundation office a call at 905.683.2320 x11501 or drop us an email at [aphfoundation@lh.ca](mailto:aphfoundation@lh.ca).
