

Last Friday, Lakeridge Gardens hosted the grand opening of their **Ajax Square Gardens!**

Thanks to a generous donation from the Ajax Mayor's Gala, the once non-descript space has been transformed into a sports fan's dream!

Mayor Shaun Collier & Gala Chair, Rose Collier, were on hand to perform the official unveiling and be the first people to enter the lounge.

The accessible tables & large TV, sports memorabilia and comfy chairs will sure to be used by residents & their families as they cheer on their favourite teams throughout the year.

And with residents of the long-term care home ranging in age from 34 to 104 years old, we know that it will be widely used!

Thank you again to Mayor Collier, Rose Collier & the entire Gala committee for organizing such a great event that supports amazing initiatives in our community.

And special thanks to Foundation staff member, Teresa, who used her incredible interior design talent to pull this whole room together, from drawing the original sketches, sourcing the furniture, adding the sports memorabilia and even building the tables & TV unit!
